

Parent Council

Mattie McCullough Elementary School

What we do

We meet every 1-2 months to figure out how we as parents and guardians can support the school and represent the parent voice in the school community. The focus is on enhancing student learning together! We host teacher appreciations, fundraise, and use that money to help teachers purchase extra supplies or special equipment.

Our Principal, Mrs Wade, or our VP, Mrs. Kjelsberg, joins our meetings to provide school updates and help coordinate our efforts!

HOT LUNCH COORDINATOR POSITION

Our wonderful hot lunch coordinator, Cherelle Bundziak is leaving, as her youngest child is now going to middle school! Interested in how you can help out? These duties can be performed from the comfort of your home, and you don't have to come in during the day!

- Coordinate dates in June with the principal for hot lunch days.
- In August, coordinate with the restaurants.
- Let the Healthy Hunger website do the rest!! Volunteers for hot lunch delivery are separate from the coordinator's duties.

Interested? Contact MMPC Chair: La Keria Clayton on the Remind App or at mattieschoolcouncil@gmail.com (mentoring available)
