## Skating in the New Year

As we gear up for our winter activities, we are requesting donations of skates and CSA-approved helmets that are not expired. Students will have the opportunity in the new year to skate during lunch recess. They must be able to tie their own skates and have a helmet and mitts/gloves to skate at lunch recess. Sticks and pucks will not be permitted on the rinks at recess.

Thank you to our School Council for sponsoring the Pound It Hip Hop residency at MME Jan. 20-24th. Our students are excited to learn some new dance moves during PE that week!
