An illustration for a spring fundraiser. It features a bright yellow sun in the top left corner. Below it is a small potted plant with pink flowers. In the center, two women are shown: one in a green shirt and yellow pants is watering a plant in a yellow pot, while the other in a yellow shirt is working with a blue watering can. To the right, there are several potted plants, including a cactus and a large green plant with yellow gloves hanging from its top. The background is a simple green hill.

Spring is here!
Our annual Mattie Spring Fundraiser has teamed up with Blue Grass to offer high-quality **flowers and plants**. Mattie McCullough Parent Association is fundraising for student events.
