Yellow Busing for next school year

If your child would like to ride the yellow bus next school year, please be sure to log into Powerschool/School Engage and complete a 25/26 Charter Transportation Application before June 15th to avoid late fees. Contact the school if you have any questions or need to check if you qualify for busing.

On June 18th, the school with support from the parent council will be hosting a school wide hot dog picnic from 11am-12pm. All students will attend the picnic, this means you won't need to pack lunch that day (unless your child has dietary restrictions and cannot eat what is being provided). We are gathering numbers for planning with food. You do not need to report that your student(s) will attend but please let us know the number of additional family members that will attend. We will be serving: hot dogs, chips, and popsicles. Please bring a blanket or chairs to sit on.

This Google Form will remain open until June 12th so please respond by this date.

Exciting Announcement for Our School Community!

We are thrilled to share that our school has been chosen as an Indigo Love of Reading School! From September 5 to October 5, Indigo will be raising money in their store to help us put more books into our library.

This is a fantastic opportunity for us to grow our collection and inspire even more love for reading among our students. Plus, we have lots of fun events planned during this special month to celebrate and get everyone involved!

Stay tuned for details on how you can participate and support this wonderful cause. Let's make this a memorable reading journey together!
