Mattie McCullough Elementary School

What we do

We meet every 1-2 months to figure out how we as parents and guardians can support the school and represent the parent voice in the school community. The focus is on enhancing student learning together! We host teacher appreciations, fundraise, and use that money to help teachers purchase extra supplies or special equipment.

Our Principal, Mrs Good, and our VP, Mrs. Ramsden, joins our meetings to provide school updates and help coordinate our efforts!
