Value of the Month

Growth Mindset

A growth mindset is believing your brain can get stronger and you can learn to do new things by trying your best and not giving up.

Indigo Love of Reading

Our school was selected to participate in the Indigo Love of Reading Foundation's annual Adopt a School fundraiser! Every dollar raised in-store at Indigo Red Deer between September 5 - October 5, 2025 will go DIRECTLY to our school to help fill our shelves with new and diverse books. Thank you so much for supporting our school and for helping to inspire a love of reading in our students!

Want to donate online? [click here](#)

Staff Learning Day

For our upcoming professional development day this month, our teachers will be focusing on the Collaborative Response Model. This approach is centered on identifying proactive solutions to better support students who may be struggling in various areas.

Additionally, teachers will be working on developing their professional growth plans to align with the initiatives they will be pursuing throughout the year, ensuring we continue to provide the best learning experience for your child. If you would like to learn more about either of these topics please feel free to reach out.
